Speakers from across the state are coming to HABA to deliver first hand information on the BIG moves we are making here in Texas.

Included will be a dynamic presentation from ABAT president, **Burl Richards**, as he delivers his first-hand account of the [aftermarket crash tests](#) we conducted in California. His experience there, coupled with the [medical and scientific data](#) received from **Todd Tracy of Tracy Law Firm** will explain the tests in great detail.

Robert McDorman of Auto Claim Specialists will bring you facts of our industry and tried and true ways to fix more cars. Burl and Robert will show you how to [Repair More Vehicles](#), [Stop Job Loss by the Insurance Carriers](#), and [Super Charge Your Closing Ratio on Repair Orders!](#) They will point out how to navigate around the insurance claim procedures, share their successes and techniques to help each Collision Repair Facility repair more vehicles, increase your bottom line, and capture your customer for life.

Ware Wendell, Executive Director of **Texas Watch**, a [consumer advocacy group](#) has embarked on a journey to get our message out to the public and educate customers on choosing the right shop. Ware has served as the Legislative Aide to a senior member of the **Texas House** and **Chief of Staff in the Texas Senate**, enabling him to work on legislation of statewide importance and giving him insights into the workings of the Texas Capitol. [He has testified before legislative committees and state agencies more times than he can count.](#) He has [twice](#) been named a **Texas Super Lawyer Rising Star** and is listed among the **Best Attorneys of America**. Texas Watch has listened intently to our struggles and have the power to get information about these injustices to the [Texas Department of Insurance and the Attorney General](#).

The seminar will close with a **Q&A session** and **panel discussion** for you to get answers to your questions from these **strong players**.
